EVENING AUCTION

**MUSIC CITY CENTER
FEBRUARY 22-25**

SCI AUCTION PROGRAM POLICIES

SCI IS A SECTION 501(C)(4), NON-PROFIT MEMBERSHIP ORGANIZATION. OUR MEMBERS ARE conservationists who hunt. Our mission is conservation of wildlife, education of the public, and advocacy for hunting and hunters' rights. SCI appreciates the support of its donors and members in helping to further its programs and goals. Auction revenue funds a great portion of SCI's operating budget. The majority of the dollars raised goes to support SCI's conservation and education programs and for protection of the hunter. The term "auction" refers to silent auction, live auction and raffle.

Items donated to SCI and amounts paid to SCI as part of the auction do not qualify as charitable deductions. SCI is not a qualified charitable organization. No portion of any SCI auction purchase is eligible for a tax deduction unless it is an auction item (not a raffle item) sold for the benefit of SCI Foundation, which is a qualified charitable organization. If an auction item (not a raffle item) is sold for the benefit of the SCI Foundation, the purchaser may be eligible for a charitable deduction for only that portion of the payment that is over the item's fair market (or retail) value (except for raffle ticket purchases, which are not eligible for a charitable deduction in all cases). All auction items are donated to SCI (not SCI Foundation) by SCI exhibitors unless otherwise noted. If an auction item is dedicated to benefit SCI Foundation, it will be noted in the description. Charitable deductions should be referred to in IRS Publication 1391, Deductibility of Payments Made to Charities Conducting Fund Raising Events and your tax advisor.

These Auction Program Rules and Regulations apply to auctions and raffles conducted for the benefit of SCI and SCI Foundation and the term "SCI" shall include "SCI Foundation" in all instances where the auction or raffle is conducted for the benefit of SCI Foundation. Any exceptions to these Auction Program Rules & Regulations must be reviewed and accepted by Show Management and, if necessary, the SCI Executive Committee.

Hunts that are not paid for by the close of the Convention will also be subject to a 10% surcharge.

SHIPMENT OF AUCTION ITEMS

For your convenience, an authorized package shipper will be available on-site to take care of your packing and shipping needs. A representative will be available to quote fees and coordinate shipping arrangements for your auction purchases. Packing and shipping will be located next to the Auction Distribution Room. Prices for shipping will be based on weight, insurance and destination. Packing will vary, depending on size, fragility and value of item. It is recommended that large or fragile auction items (those that would be difficult to hand-carry when leaving the Convention) be carefully packed for transportation to your home. Packing and shipping operations are completely independent of SCI and all costs involved are the sole responsibility of the purchaser. SCI assumes no responsibility for any damage or loss that may occur during shipping.

All tangible items are subject to local sales tax.

Krieghoff's K-20 Victoria or K-20 Parcours 2- Barrel Set

Krieghoff International joins Safari Club International in celebrating women hunters with a unique opportunity for the winner of our 2023 donation.

Krieghoff is offering its 20 gauge field gun as either the ladies' favorite, a K-20 Victoria 2 barrel set or her male companion's choice, the K-20 Parcours 2 barrel set. The winner decides the configuration! The K-20 Victoria, specially tailored to fit the female frame, gives the discriminating lady shooter the perfect companion in the field and on the sporting clay course. Victoria's oil-finished Turkish Walnut Stock features a sophisticated checkering pattern designed for the lady shooter. The chic cream-colored Victoria case trimmed in tan color leather adds a stylish finishing touch. Krieghoff's K-20 Parcours makes a perfect field companion with its well-balanced design that gives the sophisticated wing shooter a smooth swing, instinctive aim, and precise shooting. The Prince of Wales style stock and 30-inch barrels in both 20 gauge and 28 gauge make this the ideal gun for the wing shooting adventure of your choice. Engraved with the full coverage 'Eleganza' engraving across its slender 20 gauge frame, the K-20 contains all of the robust attributes of a 12 gauge for a familiar feel and performance, while maintaining the slender elegance of a 20 gauge. Both the Parcours and Victoria stocks feature upgraded Turkish Walnut and the choice of a true right or left hand version. Krieghoff continues its support of SCI's educational and conservation efforts with this package. For additional information, contact Jacqui Baughman at 610-847-5173 or by email at jbaughman@krieghoff.com. Company's website: www.krieghoff.com.

7-day Alaska Black Bear Hunt for One Hunter and One Non-Hunter Aboard 70-foot Luxury Alaska Expedition Yacht

Two of North America's most prestigious and sought-after outfitters and top SCI donors have committed to promoting the advocacy mission and insuring the future of our hunting heritage with this world class adventure. Shane Black, SCI's 2017 North American Professional Hunter of the Year, and Keegan McCarthy, SCI's 2020 North American Professional Hunter of the Year, often referred to as **the bear experts**, have joined together to offer this first-class hunt. One hunter and one non-hunter will join Coastal Alaska Adventures to hunt for the largest **Black Bears** in North America. Coastal Alaska Adventures specializes in offering hunting opportunity for giant Coastal Island Black Bears. Method of take is hunter's choice. Schedule hunt with outfitter for open dates in 2023 or 2024. Black Bear trophies average over 7 ft., with up to 8 ft. Bears harvested yearly. Nearly all Bears make SCI's record book, with opportunity for Wolf on some hunts. Hunt with one of SE Alaska's premier outfitters. While sold as a hunt, their experienced crew will cater to the non-hunters every need. No detail goes unnoticed as Keegan and his team work to create the hunt of a lifetime for a magnificent trophy Black Bear. The Sikumi is one of the finest vessels offering first class hunts in Alaska, from her tough steel hull to her handsome wood-trimmed interior, the Sikumi combines the ruggedness of an ocean-going commercial trawler with the elegance of a luxury expedition style yacht. Four private staterooms featuring ensuite baths provide private and elegant accommodations for all guests. Their incredible chef works to prepare only the best and freshest that Alaska has to offer, often guests catch their dinner and watch as the chef prepares Crab, Halibut and Salmon taken directly from the waters of southeast Alaska on your hunt. Please join them today to experience one of Alaska's premier hunting destinations. These sought-after hunts are booked years in advance and today is your opportunity to join Keegan in his backyard chasing a bucket list Bear. Included are yacht accommodations, meals, 1x1 guide service and field prep. WN010 Artwork - Original Art
Original Oil Painting Titled 'Stand Your Ground' by Stephane Alsac
Alsac Fine Art has donated an Original oil painting titled 'Stand Your Ground' by Stephane Alsac. This beautiful oil painting shows off Desert Big Horn Sheep standing strong and poised. Stephane Alsac is a contemporary hyper-realistic painter. His paintings, most often oil paintings, represent animals with an astonishing realism close to photography. The idea here is

not to reproduce a photo, but to sublimate the animal and make it more real than life'. Painting is 55-inches wide x 25-inches high. For more information, contact Stephane Alsac by email at stephane.alsac@free.fr or by phone INT. 336 30310470. Company's website: www.stephane-alsac.com

WN011 Oregon or Washington, Oregon Coast

10-day Oregon or Washington Roosevelt Elk Hunt for One Hunter **Upfront Outfitters** has donated a 10-day, 1x1 guided **Roosevelt Elk** hunt that can take place in Washington State or can be a two-state combo hunt. Method of take is hunter's choice, excluding crossbow. Schedule hunt with outfitter for open dates November 2024 or 2025. This outfitter has hunted elk all over the country and has over 30 years' experience hunting this hard-earned species. This hunt includes a total of 10-days hunting: six days of Roosevelt Elk hunting in Washington State, a travel/laundry day and then an additional four days of hunting the Oregon Coast during the opening of the first rifle season. This gives the hunter seeking a Roosevelt Elk the opportunity to hunt two different states and two different opening seasons. In the past five years, on a 10-day hunt, the outfitter has had 100% shot opportunity. Hunters seeking the grand slam can also add a 5-day Oregon Black-tailed Deer for \$5,500; see outfitter for details. There is no combined season, but Oregon's best rifle buck hunt starts immediately prior to the start of the elk hunt. This would allow a hunter to hunt Black-tailed Deer for 5 days and then move right into a Roosevelt elk hunt. Included are meals, lodging, 1x1 guide service, field prep and meat prep for delivery to butcher/taxidermist. Hunt can be extended for \$1,000/day. Additional hunters are welcome for \$12,500 and non-hunters are welcome for \$2,500. Not included are before/after hunt expenses, travel expenses, car rental, airport pickup (\$350/person), Oregon license (\$172) and tags (guaranteed elk tag \$878, deer \$443.50), Washington elk tag (\$497) and land access (\$30), gratuities and accommodations before/after hunt. Oregon hunters can upgrade to their private land hunt for \$2,500; see outfitter for details. Arrival/departure point is Portland, Oregon. 5-day/4-night New Zealand Sika Deer and Fallow Deer Hunt for Two Hunters and Two Non-Hunters

Kaweka Hunting out of Napier New Zealand is proud to donate a 5-day/4night, 1x1 guided hunt for two hunters and two non-hunters. Each hunter will be hunting **Sika Deer and a European Fallow Deer**. Sika Deer hunting will be free range and the European Fallow Deer hunt will be on a private ranch. Method of take is rifle, muzzleloader, crossbow, or bow. The hunt can be scheduled with outfitter for open dates from April-July 2023 or 2024. This hunt will take place on the North Island of New Zealand out on the eastside of the island near Napier. This is right in the middle of best wine country that New Zealand has to offer with sights of the Pacific Ocean in the distance. The Sika Deer is one of the best trophies New Zealand offers. They are very elusive and can be very frustrating to hunt because they are very aware of what is going on around them and when they are not sure of something they sound the alarm. The Sika Deer will weigh

up to 180 pounds and are charcoal in color with brown spots and a dorsal strip from neck to tail. The Fallow Deer originally came to New Zealand in 1864 from Europe and Asia. There are three basic color variations, black, spotted, white or light gray. Each hunter will take one Fallow Deer in the Silver-medal range, and some could go into the Gold-medal category. Included are accommodations, meals, 1x1 guide service, trophy fees for the 2 Sika Deer and 2 Fallow Deer, and field prep with delivery to a local taxidermist for expediting. This hunt can be upgraded to include additional species and days: see outfitter for details. Not included are any before/after hunt expenses, dipping, firearm permit (\$25NZ per hunter, if bringing a rifle), packaging/shipping and gratuities. Arrival and departure point is Napier, New Zealand. For more information on this donation please contact Bill Perkins at 1-866-320-1495 or by email at hunt@Kawekahunting.com. Canada North Outfitting pioneered Arctic Big Game outfitting in 1981 and has maintained one of the highest success rates in the industry, this is on both harvest and adventure. The Grizzly Bears of Nunavut are CITES-exportable, including to the European Union. The Barren-Ground Grizzly is a handsome bear known for its long, luxurious coat, which can come in a variety of colors. The Grizzly Bear populations have increased through the western and central areas of the Arctic. Canada North's clients have entered eight of the top 10 Barren-Ground Grizzly Bears in the SCI Record Book. The buyer of this hunt package can add an Arctic Wolf and Wolverine to be hunted only as an incidental species; see outfitter for more details. Canada North Outfitting will prepare a complete hunt itinerary with final instructions and gear list well in advance of the hunt date. Included are accommodations, meals, 1x1 guide service, ground transportation during the hunt and field prep. Shane will greet the buyer upon arrival at the Edmonton International Airport. Not Included are before/after hunt expenses, flights, hotel, Nunavut hunting license (\$63), Barren-Ground Grizzly Bear tag (\$735), shipping of hide, taxidermy, expediting costs and gratuities. In 2023, Canada North Outfitting celebrates its 43rd year in business. For more information, contact Shane Black at 250-961-7100 or by email at sblack@canadanorthoutfitting.com. 10-day Alaska Luxury Yacht-Based Brown Bear Hunt for One Hunter and One Non-Hunter

Two of North America's most prestigious and sought-after outfitters and top SCI donors have committed to promoting the advocacy mission and insuring the future of our hunting heritage with this world class adventure. Shane Black, SCI's 2017 North American Professional Hunter of the Year, and Keegan McCarthy, SCI's 2020 North American Professional Hunter of the Year, often referred to as the bear experts, have joined together to offer this first-class hunt. One hunter and one non-hunter will join Coastal Alaska Adventure's aboard the 100 ft. luxury yacht the Golden Eagle to experience a once in a lifetime hunt for giant coastal brown bears! Embark upon Coastal Alaska Adventure's luxury hunting yacht for a 10-day, 1x1 guided **Brown Bear** all-inclusive luxury hunting experience. Method of take is hunter's choice. Schedule hunt with outfitter for open dates in 2023 or 2024. The Golden Eagle boast four well-appointed private staterooms each with queen bed and ensuite bath. The finest luxury yacht offering hunts in Alaska, Golden Eagle will meet the needs of the most discerning hunter and hosts a full crew inclusive of steward to cater to all of our guest. Dedicated to the details, the crew will work to make your trip a once in a lifetime experience. The winning bidder will hunt the famed Admiralty or Chichagof Islands of southern Alaska. These islands maintain the highest density of Brown Bears in the world! It is not uncommon to see 15-20 bears a day while hunting. More Bears equal more opportunity, and we are nearly 100% on nine foot or better coastal brown bears. Couple the unsurpassed Bear hunting with a luxury yacht and you have the best of both worlds. Come back after a long day of hunting to enjoy a shower in your private stateroom while our 5-star chef prepares you a gourmet meal featuring your favorite Alaska seafood. No detail goes unnoticed as we work to find you the trophy of your dreams in comfort and style. Master Guide Keegan McCarthy will host the hunt, Keegan has been hunting this area for over 30 years and will provide you with expert knowledge and skill. Keegan has used this experience to cultivate one of the world's leading concessions for Brown Bears. The donated dream hunt includes all trophy fees for one Brown Bear, but you can potentially add Black Bear or Sitka Black Tail Deer and Wolves (depends on season); see outfitter for more details. 3-day Pakistan Sindh Ibex Hunt Up To 39 Inches for One Hunter

One hunter will travel to southern Pakistan in search of adventure and a **trophy Sindh Ibex up to 39 inches** on this 3-day, 1x1 guided hunt donated by **Caprinae Safaris of Turkey**. Hunter will be charged \$1,000 an inch, if the Sindh Ibex is over 39 inches. Method of take is hunter's choice, excluding crossbow or shotgun. Trip includes three hunting days; schedule hunt with outfitter for open dates November 1, 2023-March 31, 2024, only. No

alternate dates are available. With rugged, snowy mountains that have fluted, icy pinnacles piercing the sky and windswept plains stretching for miles, Pakistan is a land of contrasts. It offers some of Asia's most mind-bending features and a kaleidoscopic view of culture and ethnic structure. Being a game-rich country, Pakistan was appreciated by a number of trophy hunters long before its separation from British India. Many British soldiers here had the privilege of pursuing these game animals back in colonial times. Now it is your turn to hunt in these lands and have a taste of the excitement these sportsmen experienced previously. The Sindh Ibex is native to South Pakistan's Kirthar Mountains, usually inhabiting altitudes of 1,500 to 4,500 feet. Hunter can realistically expect to collect an Ibex around 38'-42' and over. Anything over the 40-inch mark is considered to be a great billy and most of our clients collect such an Ibex. The biggest we ever collected out of this area is 49 inches. Hunter will be the guest of the ruling family in this area and be accommodated in their luxurious villa located in the hearth of the hunting area. The Sindh counts toward the Capra World Slam and is a crowning achievement in any hunting career. Blandford Urial and/or Punjab Urial can easily be added on to this hunt. Included are guest house or hunting lodge accommodation, meals, hunting and rifle permits,

trophy fee for one best-available Sindh Ibex, area fees, all transfers to/from Islamabad and Karachi closest airport, customs handling, interpreter, guide service and trophy prep. Additional hunters are welcome for \$19,000 up to 39 inches plus +\$1,000/inch over 39 inches', and observers are welcome for \$2,400. Method of take is hunters' choice, excluding handguns. Schedule your hunt with Spey Creek Trophy Hunting from March-July 2023 or 2024. If you are looking to add a large Red Deer to your trophy collection, Spey Creek is the place to hunt! Spey Creek hunters have held the record for the largest Stags shot with any weapon for the past several years and their guests have taken many top ten animals in all four weapon categories. Spey Creek Trophy Hunting also offers trophy class hunting on thousands of acres for Tahr, Chamois, Rocky Mountain Elk, Fallow Deer, South Pacific Black Faced Ram, Feral Goat and Wild Boar. Extra game can be taken at published trophy fee rates, additional hunters in the group (at \$17,000 per hunter), non-hunters are welcome for \$1,250 or sightseeing days may be added to this package. Quality and customer service are our number-one objective at Spey Creek Trophy Hunting. For that reason, John and Neroli choose not to accommodate a large quantity of hunters each year, to ensure that all of their guests' needs are being met. Not included are before/after hunt expenses, firearm permits (\$25 NZD), dipping, packing/shipping and gratuities. Your arrival/departure point is Christchurch, New Zealand. 10-day Alaska Moose Hunt for One Hunter
Adventure Hunts and Becharof Outfitters invite one hunter to Alaska for a 10-day, 1x1 guided **Alaska Moose** hunt. Method of take is rifle or bow. Schedule hunt with outfitter for open dates in 2023 or 2024. The Moose in their hunting area grow big, thanks to healthy genetics and plenty of food. They have a very good relationship with the local people in and around the village of Egegik. Their exclusive outfitter access to this area ensures a very good opportunity for hunters to fill tags. The hunting is

done from tented spike camps, where ground is covered on ATVs and by boat. Spotting game, then stalking in for a shot, is the norm. Moose are often called in during the rut. Bring hip or chest waders that you can walk in all day, every day, as that's the most efficient way to comfortably cover ground. Mud and water dominate the lowland tidal flats and tundra that we hunt. Being able to shoot out to 300 yards will help increase the chances of filling a tag, as the terrain, though gentle, can be challenging to negotiate due to all the water. Included are accommodations, meals, 1x1 guide service, trophy fee for one Moose and field prep. Hunt can be upgraded to include Wolves, Wolverine, Red Fox, Ptarmigan, Ducks and Geese; see outfitter for details. Not included are before/after hunt expenses, license (\$175), tag (\$800), roundtrip ground transfer (\$600), packing, shipping and gratuities. Arrival/ departure point is Egegik, Alaska. The African Lion Rifle Collection

Country Pursuits has donated an unbelievable set of five rifles to be featured on the 2023 SCI Convention show floor in Nashville where John Bolliger Jr will display them to convention attendees before they are auctioned to the high bidder. It took five years and hundreds of hours for master custom gunmaker John Bolliger Sr. to create The African Lion Rifle Collection, a five-rifle set that is not simply unique, but which can never be duplicated. Only at a Safari Club International Convention could such masterpieces be made available to the highest bidder. For the project, Bolliger acquired five consecutive stock blanks from a single 300-year-old Turkish walnut tree. The highly figured walnut

blanks were cut side-by-side and could be laid out so right side of one blank perfectly matched the left side of its neighboring blank. Bolliger then approached Winchester and requested five Model 70 bolt actions for the project with custom, consecutive serial numbers. Actions with such special serial numbers are extremely rare and is not Winchester's policy to do this. But because of John's status as one of the world's premier custom rifle makers, they finally agreed and produced the actions for this unique series. The barrels were crafted from special order Krieger 3-inch-diameter blanks with integral bases and are an art form in themselves. Engraving was to be done by five top American master engravers who were selected by Bolliger himself. Each was given parameters, including what should be on each of the five rifles to ensure a diverse, but consistent theme. XX014 Firearms Best of the West Signature Rifle System in 6.5 PRC

Best of The West has donated the flagship Signature Rifle System in a 7PRC. The Best of the West Signature Rifle System is the flagship rifle rolled out in 2012 after years of trial and error and fine-tuning components. Based on the Remington 700 action, the Signature is available in various calibers. Expertly crafted and meticulously assembled these fine rifles are topped with a Huskemaw Blue Diamond 5-20x50 hunting scope. These optics are the most advanced long range hunting scope available today with the patented windage technology and custom Rapid Field Ballistic Compensator (RFBC) turret. These turnkey systems are individually proven accurate to 1,000 yards and will increase your chances of success on that hunt-of-a-lifetime. The rifle also includes 40 rounds of BOTW signature series ammo, two sets of custom laser engraved dual-stack turrets, Huskemaw scope cover and Switchview lever, and TSA approved premium modular rifle case. For more information, contact Best of the West by email at info@bestofthewestarms.com or by phone at (866) 754-7618. Company website: www.bestofthewestarms.com.

AUCTION BIDDING PROCEDURES AND CONDITIONS OF SALE

Auction Program and Online Bidding Rules & Regulations

1. A bidder or bidder's representative (designated individual must have written, notarized authorization from bidder stating maximum bidding price for each of the items of interest) must be registered and present during the auction to be eligible to bid. A person who bids on behalf of another person or group will be ultimately held responsible for payment in its entirety. SCI will restrict or refuse access to auctions to those who have an outstanding balance due or past due to SCI or SCIF for any reason. A person registered and bidding through the official SCI online auction will be considered to be registered and present for the auction.
2. All items auctioned are sold "as is." SCI assumes no responsibility for the validity of the descriptions, authenticity or condition of any item donated for auction. SCI makes no warranty or guarantee, express or implied, regarding any property or service sold at auction including, but not limited to, any warranty of fitness for a particular purpose or merchantability. Values listed are as stated by donors and are not warranted by SCI for tax or any other purpose.
3. All items auctioned (whether goods or services) are acquired or obtained by SCI from third parties. The purchaser acknowledges that the items have not been inspected by SCI and that the purchaser is advised, in the case of firearms, knives, bows, bullets or other hunting equipment, to secure a competent inspection and test of the goods before use. No services auctioned are to be, or will be, performed by SCI.
4. After bidding for an item offered during a live auction concludes and the auctioneer designates a winning bidder, the designated winner (buyer), if present, must immediately agree to a Buyer's Agreement. If the designated winning bidder bid online, the buyer will have been deemed to agree to the Buyer's Agreement by agreeing to abide and be bound by SCI's auction or other policies during the online auction registration process and subsequently bidding or paying for the item. Buyer's Agreements for silent auctions conducted online will also be deemed to have been executed when the designated winner agrees to be bound by SCI's auction or other policies during the online auction registration process and subsequently bids or pays for an item. For silent auctions not conducted electronically, the Silent Auction Bid Sheet is considered the Buyer's Agreement to purchase the indicated item. All signatures on Buyer's Agreements, Silent Auction Bid Sheets and Silent Auction Sealed Bid Forms, and indications that the buyer accepts SCI's policies for online purchases, are legal and binding. SCI is not party to and will not recognize changes, additions or deletions to any auction description agreed to by the buyer and donor.
5. By making a purchase, the purchaser waives any claim for liability against SCI or the donor of any property or service, and neither SCI nor the donor is responsible for any personal injuries or damages to property that may result from the utilization of any property or services sold. If any action or claim is made against SCI by an individual, entity, or state, local, federal, foreign or political body for any matter whatsoever arising from the use of the auctioned items, or any actions or parties conducting business with respect to the auctioned items, the donor and/or purchaser will pay SCI's attorneys' fees and costs and will hold SCI harmless from any judgment thereon.
6. By making a purchase, the purchaser agrees that:
 - a. The auction and purchases made at the auction shall be governed in all respects, whether as to validity, construction, capacity, performance or otherwise by the laws of the State of Arizona, except as preempted by federal law and that venue for any and all actions, including litigation, mediation and/or arbitration, shall be in Pima County Arizona.
 - b. Any dispute or action arising out of or relating to the Auction and purchases made at the Auction shall first be submitted to mediation before a mediator mutually agreed to by the Parties, with said mediation to be held in Pima County, Arizona. If mediation is unsuccessful, then such dispute or claim shall be submitted to final and binding arbitration in accordance with the rules of the American Arbitration Association or other appropriate standard relating to disputes arising out of contract, before one arbitrator, with said arbitration to be held in Pima County, Arizona.
7. If, during a live auction, a final bid for an item is erroneously taken from two bidders, the bidding is closed to everyone else except those two bidders. The high bidder acknowledged by the auctioneer shall be the purchaser. The auctioneer shall have the sole and final discretion to determine the successful bidder in any auction. At each live auction, there will be designated bid spotters in the audience, and it is the responsibility of the bidder to direct bids to the nearest spotter. The auctioneers and spotters will make every attempt to acknowledge all desired bids, but SCI is not responsible for any missed bids or bids that fail to be executed.
8. All auction items purchased at other than the Saturday Night Auction must be paid for in full before close of show on Saturday, the last day of the Convention. Auction items purchased at the Saturday Night Auction must be paid for before the official close of the Saturday Night Auction. Arrangements for the removal of all items must be made before the close of the Saturday Night Auction. Successful bidders may, during or immediately following the auction, present their copy of the Buyer's Agreement to the Auction Payment Counter, where they may pay by cash, check or credit card. Checks should be made to SCI- First for Hunters (SCI) and must be drawn on a U.S. bank and in U.S. dollars. Visa, MasterCard, Diner's Card, Discover and American Express are accepted. Items purchased through an online auction will be shipped by the online shipping representative and fees are the responsibility of the purchaser. Any auction items that have not been paid for by the close of the Saturday Night Auction may be subject to a 10% surcharge, which will be added to the winning bid and this total will then become the purchase price. Any items not removed by the close of the convention will be deposited with a third-party shipper. Shipping arrangements and costs will be the responsibility of the buyer in every case. Any bidder/purchaser who leaves his/her purchases at the convention does so at his/her own risk. SCI is not responsible for any item not removed from the convention by the winning bidder/purchaser.
9. SCI may allow bidders to bid online by establishing an account and providing payment information through our third-party online auction representative. An absentee online bidder must be a member of SCI and additionally pay the daily convention registration fee for the day of the auction of the items to be bid on. Bids submitted online, prior to a live auction, are absentee bids that must be executed on the bidders' behalf by an SCI representative and recognized and accepted by an auctioneer during the live auction. Neither SCI nor its employees or agents will be held responsible for bids that fail to be executed or accepted.
10. SCI may conduct silent auctions by electronic means or on paper, using bid sheets. SCI may also, at its discretion, require that all bids submitted during the last thirty minutes of a silent auction be submitted on a sealed bid form. The highest bid for each item will be determined from a combination of all open and sealed bids, with the highest bid winning. If two or more sealed bids are for the same amount, the winning bid will be determined by the time of the bids, with the earlier bid winning. Illegible bids or bids without complete information will not be accepted or executed. When silent auctions are held by sealed bids, sealed bids will be available for inspection after the results of the auction are published.
11. ALL SALES ARE FINAL ALL TANGIBLE GOODS PURCHASED AT THE SCI AUCTIONS ARE SUBJECT TO THE CURRENT STATE AND LOCAL SALES TAX RATES. THERE WILL BE NO EXCHANGES OR REFUNDS on items or services. Unless otherwise indicated, all auction items must be claimed, and all services and hunts must be used within one year of the date of the purchase at auction. Dates and times for applicable items are to be arranged at the mutual convenience of the donor and winning bidder/purchaser.
12. IT IS THE PURCHASER'S RESPONSIBILITY TO CONTACT THE DONOR REGARDING PURCHASED ITEMS, SERVICES OR HUNTS and to make all arrangements for hunt dates and the application of necessary of paperwork for licenses and permits. SCI is not, and will not act as, a conduit or channel of communications between the purchaser and donor. After the hunt has been completed the purchaser must complete a hunt report form and submit it to the Convention Department, Auction Program.
13. Items may be removed from the Auction Distribution Room only by presenting a claim check, which is issued to the purchaser at the time of payment. Auction items may be claimed in the Auction Distribution Room following each auction. On-site shipping will be available through a representative. Fees will be quoted and will be the responsibility of the purchaser.
14. Although SCI has made every effort to ensure the quality of donated hunts and trips, it cannot, and does not, guarantee the satisfaction of either the donor or the purchaser.
15. SCI reserves the right to withdraw any donated hunt from the auction that does not receive a bid at the minimum of 50% of its stated value and offer it to the last high bidder at 50% of its stated donor value before determining that a withdrawal is necessary. If the last highest bidder rejects the offer, the hunt may be considered a no sale and withdrawn.. The Auctioneer shall have the sole and final discretion to determine the sale of a donated hunt.
16. Some hunts are subject to VAT and GST tax liabilities. Often these taxes are due and payable before a hunt can be taken. Other items may be subject to sales taxes. SCI does not assume responsibility for these fees. Please verify amounts with donor and check with the local government where a hunt is to be taken to validate tax rates.
17. All firearm (excluding some types of muzzleloader and bow) purchases made during the convention will be subject to the Brady Handgun Violence Prevention Act of 1993. After the close of the convention all firearms purchased at an SCI auction or won in an SCI raffle will be returned to the SCI Tucson offices and shipped to the purchaser's federally licensed dealer of choice. Purchaser must provide SCI with an original signed copy of the dealer's or their own federal firearm license (FFL) and a copy of the paid auction statement before shipment can be made. All shipping costs are the responsibility of the purchaser.
18. SCI has been advised that donated "worked" ivory may be sold at its auctions if certain conditions apply. "Worked" ivory must not have been imported under any permit that prohibits the sale of that ivory. Most hunting trophies have come into the U.S. under permits that prohibit sale and cannot be sold. Prospective buyers of ivory should consult local law to ensure that possession of imported ivory is allowed.
19. The terms and conditions set forth in the Auction Buyer Policy and the Auction Hunt Policy are hereby incorporated herein by reference.

The purchaser's acceptance of the Buyer's Agreement, online terms and conditions, Silent Auction Bid Sheet, or Silent Auction Sealed Bid Form signifies and guarantees that the purchaser has read and understands these Auction Program Rules and Regulations, the Auction Buyer Policy and the Auction Hunt Policy, and the purchaser accepts and agrees to completely abide by and be legally bound by all the terms, conditions, rules and regulations for the Auction Program.
